

Sizing Your Fast-Flag

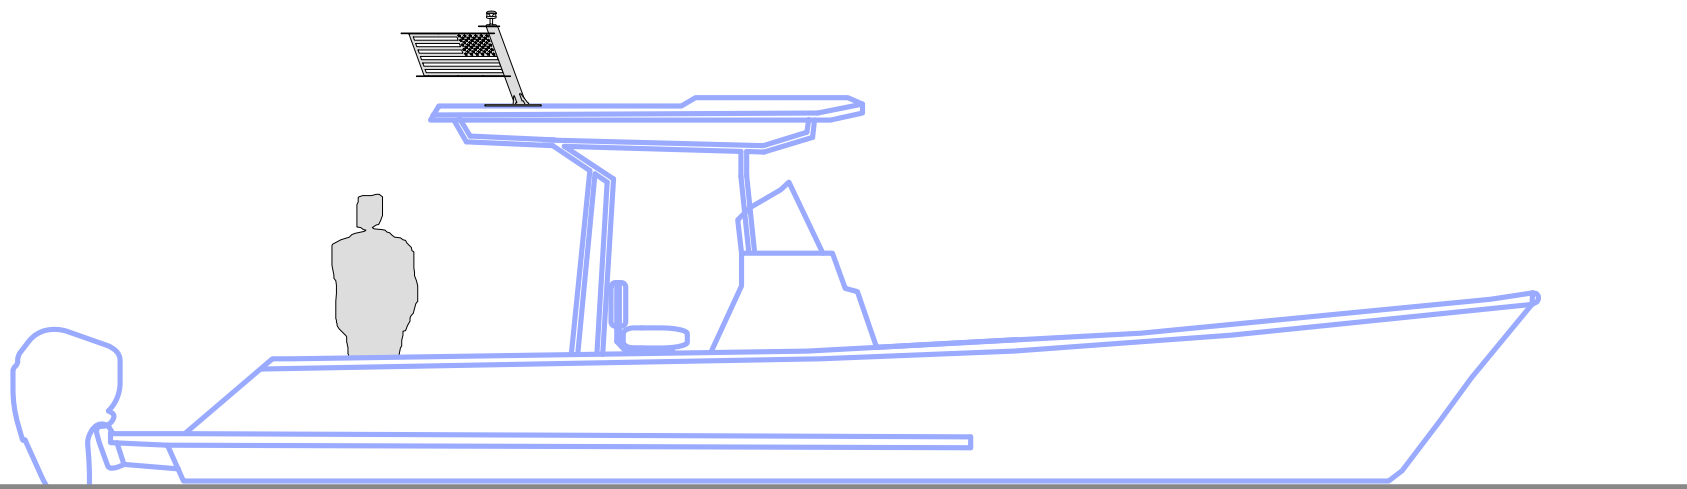

There is no steadfast formula for selecting the right flag for you, your vessel and cruising life style. It truly is a subjective decision. However, to assist and better help you with this decision, this scale drawing showing relative size differences may be helpful. Custom sizes and special orders are available upon request for unique conditions and vessels greater than 62 feet in length. Please contact us for details.

The SuperSport -16

Shown here with a 20ft center console

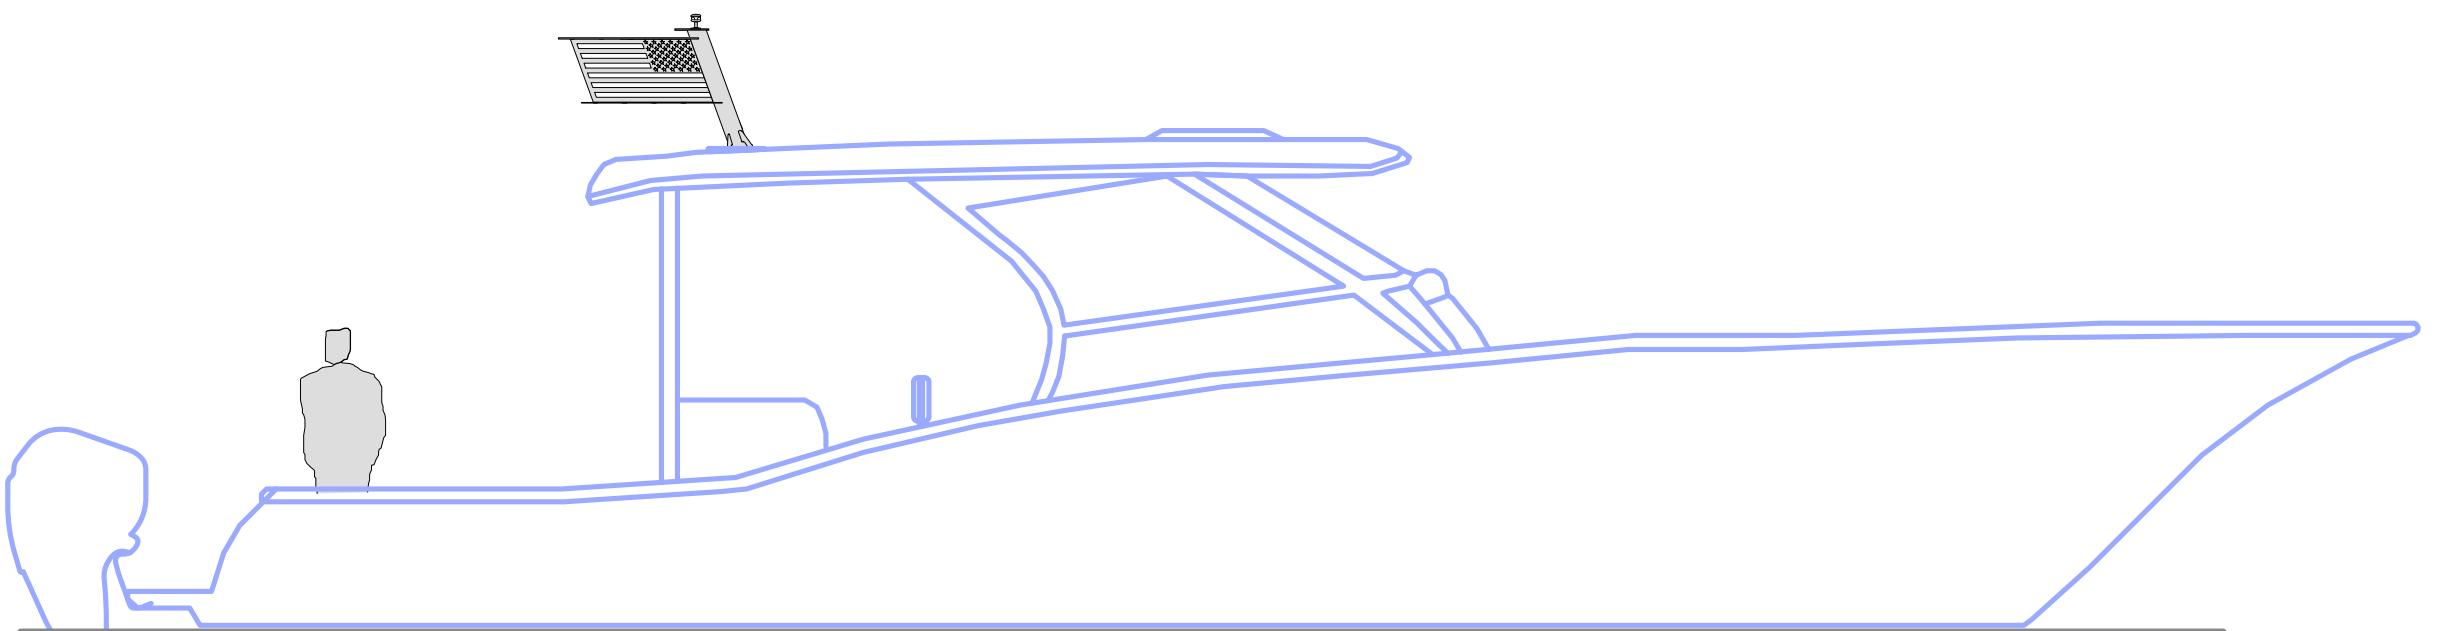

Ideally sized for most boats from 18 - 21 feet in length

The SuperSport -20

Shown here with a 26ft center console

Ideally sized for most boats from 22 - 30 feet in length

The SuperSport -30

Shown here with a 42ft center console

Ideally sized for most boats from 31 - 62 feet in length
